

Follow these simple steps to save your download counts in your e-publications@bond **Author Dashboard**.

1. To access your Author Dashboard, visit <https://readership.works.bepress.com/>. Enter the email address and password associated with your bepress account to log in.
2. Select 'All Time' date range

3. Select the 'Usage Reports' Tab (in white below):

4. Scroll to the bottom of the page and use the **Export** button in the Works table. The report will download in excel format.
5. Save the report to your preferred folder.
6. Further information is available on this site:
